Athens, Greece

## LANGUAGES

Greek: **Native**

English: **C2**

German: **B1**

Italian: **A2**

## HARD SKILLS

Python

Java

SQL(mysql)

Matlab/R

MS Office

Wordpress

Unix

SAP

## SOFT SKILLS

Leadership

Team Spirit

Prototyping

Communication

Strategic Planning

Ideation

Design Thinking

## HOBBIES

Ping Pong

Photography

Sailing

## HONORS

- Academic Work Scholarship | 2021
- Academic Work Scholarship | 2020
- Academic Work Scholarship | 2019
- ReGeneration Finalist - 9th Cycle | 2019
- Tuition Fee Exemption Scholarship | 2019
- Erasmus Grant | 2016-2017
- StartUp Business Plan Contest - First Prize | 2014

## ABOUT ME

Ph.D. Candidate on Artificial Intelligence (AI) technologies at the [University of Thessaly \(UTH\)](#) with [Prof. Vassilis Plagianakos](#). Holder of a Bachelor of Science in Computer Science and Biomedical Informatics and a Master of Science in Computer Science and Computational Biomedicine at UTH, with a minor in Computational Medicine and Biology.

## EXPERIENCE

Data Scientist/AI Researcher | [Covariance](#)

02/2021 – Now

Athens, Greece

Academic Scholar | [University of Thessaly](#)

02 2021 – Now

Department of Mathematics

- Course: Programming II

For more information regarding my Professional Experience please visit my personal profile on [LinkedIn](#) / [personal website](#)

## EDUCATION

Artificial Intelligence, Ph.D. Candidate | [UTH](#)

2021

Greece

Thesis: "Development of Deep Learning methods on Big Data with emphasis on Natural Language Processing"

Computer Science and Computational Biomedicine, M.Sc | [UTH](#)

2020

Greece

Minor: Computational Medicine and Biology

Thesis: "The EU's General Data Protection Regulation and the DPO in Biomedical Applications"

Computer Science and Biomedical Informatics, B.Sc. | [UTH](#)

2019

Greece

Electrical and Computer Engineering, Erasmus Student | [University of Perugia \(UNIPG\)](#)

2017

Italy
